

## Friday Feeling – *a message from the Headmaster*

A very Happy New Year to you all and welcome back to school! I hope you all had a wonderful time over the Christmas break and have re-energised for 2018. We had an engaging and thought provoking assembly on Monday where we played on the notion of New Year Resolutions and coined the phrase Be The Best You Can – BTBYC. We spoke about the fact sometimes it is hard to keep to resolutions – indeed many of you may be struggling with this now! So, we set about agreeing to be the best we could: When it comes to exercise, and you just can't face it – do it for a minute, it's better than none. When it comes to chocolate, have half not all. When it comes to vegetables, have a bite rather than avoiding completely. In doing this the things we find hard may just become easier and we can be the best we can be!

In other news – the approach to learning has been super this week. The children seem to have grown tremendously over the holidays and this is mirrored in their positive attitudes and work output. I have been immensely proud of all the children when I have visited classes this week – all are extremely polite and very keen to share what they have been learning. This remains a very vibrant school!

During the staff meeting on Monday we spoke about the closure 2019 and have resolved to ensure that Haig School lives on through legacy. To that end – watch this space for further news on the Haig 'Challenge List'.....

Have a wonderful weekend.
