

Friday Feeling – *a message from the Headmaster*

Having battled sickness, snow and finally winds we made it through the week! Thank you all for your co-operation yesterday – it is not often that we elect to close early and the decision was not taken lightly. Given the amount of damage experienced around the camp and in Gutersloh I think we made the right call and I am glad everyone got home safely.

It has been an extremely busy week in school with Pupil Progress Meetings – something I look forward to, as it gives me an opportunity to work closely with teachers and have a thorough overview of how well children are performing. The progress seen since September and building over the last term has been very encouraging and I am thrilled with the strong development demonstrated right across the school. Well done everyone!

Finally, it was great to experience the rhythm of Africa emanating from Y2 this afternoon. African beats and jewellery design were the order of the day – with children learning about the significance of the colours and designs they were creating. Creative and engaging learning – well done Y2!

Have a wonderful weekend.
