

## Friday Feeling – *a message from the Headmaster*

The ‘final’ first week back at Haig School and we’ve been reflecting on how lucky we are to be the last children and staff to work within these buildings. Whilst tinged with sadness, there is great optimism and excitement about the year ahead. For many of us we don’t know where we’ll end up this time next year – but for the moment that doesn’t matter. We spoke of the opportunity that this gives us all and both staff and pupils took ‘The opportunity’ from me to keep with them for the year; ask your children about it.

The past week has been calm and purposeful. I have engaged with all of the classes and am delighted that, without exception, children already report and appear to be settled and motivated. They have been busying themselves with the usual start of year activities – researching about the class name and agreeing what theirs will be, learning about the brain and the best conditions for learning and getting to know their classmates and teachers well. This year’s class name theme is MOD School past and present – I look forward to learning the new names next week!

On a less uplifting note, we say a very difficult farewell to Mrs Guvaki today. Best known to us as Vani, she has been an incredibly important and respected colleague and friend to us all. Not only the face of Haig School, but an integral part of the school whose knowledge we pull on daily. Vani, we wish you the best of luck in your new job – you’ll always be welcome back; it will certainly be less fun without you.

Unfortunately this will be the pattern of things to come, but, I am genuinely excited to be back working with a tremendously talented staff and pupils, especially in the knowledge that as a school we will not fail to keep pushing the boundaries of experience and learning. ‘Don’t Stop Believing’ and the ‘Haig 50’ will soon become familiar concepts...

Have a wonderful weekend,

Ben Turner

A guide to building a...

# Healthy Lunchbox

Why is it important for children to have a healthy lunchbox?

Healthy eating has many benefits for children. It can stabilise their energy, improve their minds, even out their moods and help maintain a healthy weight.

## Water

Each child has their own water bottle and has access to the water fountains around school. An idea to make it fun is set a target for your child to drink so many bottles each day!

Please be reminded we are a NO NUTS school.

## Whole Grains

Make sandwiches with whole grain bread. Look for labels that say '100% Whole Grain'.

## Vegetables

Add vegetables in your child's lunch. They add a healthy crunch instead of crisps. Try carrot and cucumber sticks, small tomatoes, pepper and celery.

## Snacks

Add a healthy savoury or sweet snack. Try whole grain crackers and cheese sticks for savoury snacks or dried fruits and yoghurt for sweet snacks.

## Fruit

Pack fresh fruit each day for lunch. These are easy, convenient ways to add fruit to your child's day. Try cherries, melon slices, pears and grapes.
