

Friday Feeling – a message from the Headmaster

What an emotional, but simply stunning weekend we had. The closure celebrations at King's school could not have been better. Children across BFG did brilliantly and brought the house down with the final farewell song. It will live long in our memories. Thanks to all involved.

And during the week classes have been making the most of the beautiful weather by getting out and about to enhance their learning in the classroom. There have been visits to the Tierpark, the Parkbad, Bielefeld and today a truly momentous whole school trip to Potts Park!! Thankfully the temperature was a little cooler today to enjoy the thrills and spills of the theme park!

Thank you for ensuring children have been well prepared for the hot weather this week. It has been great to see them conscious of drinking plenty of water, applying sunscreen and keeping in the shade. We made a sprinkler system to cool down in the playground too, which was enjoyed by children and adults!

Tomorrow we are all off, due to additional training sessions that teachers have been involved in over the year.

Have a wonderful long weekend,

Ben Turner

****UPCOMING EVENTS****
